

# Legacy Link

Look for the **Legacy Link** in every *STATE* magazine. This page is dedicated to all of our Alumni Association Legacies and to spreading **orange** to young Cowboys and Cowgirls.

Players take turns joining two horizontally or vertically adjacent dots by a line. A player that completes the fourth side of a square (a box) colors that box and plays again. When all boxes have been colored, the game ends and the player who has colored the most boxes wins.

Make sure your legacy is registered in the OSU Alumni Association Legacy Program at [orangeconnection.org/legacy](http://orangeconnection.org/legacy) to receive all of the legacy benefits available with your membership.
