

Legacy Link

Look for the **Legacy Link** in every *STATE* magazine. This page is dedicated to all of our OSU Alumni Association Legacies and to spreading **orange** to young Cowboys and Cowgirls.

Help Pistol Pete find his way to some of his favorite places on campus: the Edmon Low Library, Boone Pickens Stadium and his Residence Hall.

Make sure your legacy is registered in the OSU Alumni Association Legacy Program at orangeconnection.org/legacy to receive all of the legacy benefits available with your membership.
